You hear adout it on the news  
All day, everynight  
Another sick sadistic crime realized

Did it excite you to take somebody's life  
Did you think about the people  
Who stay behind and cry about it  
The coach is at the platform  
Come along and step inside now  
'Cause it's time to pay the piper  
Got you ticket and your ridin' tonight

Bloody train is carryin' souls of tainted minds  
Hated, forgotten, but left unforgiven  
Endless night, another forsaken passenger fades into  
the dark

Here, take this picture with you please  
Memory of you crime  
Those lips will never smile again, eyes won't shine

Did papa hit you ?  
Did mom keep you inside ?  
Did your sister always tease you ?  
And tattle tale your lies, or was it  
Your brother took your best toys  
And favorite teddy bear, too ?  
Anyway you're on the train now  
And no excuse could ever justify you

Bloody train no stopping for pleas or alibis  
Madness corrupting the world we all live in  
Endless night, it's silent, white faced, dark eyed driver,  
He knows who you are  
Bloody train a no mercy one way ticket ride  
Into a bitter and lonely dimension  
Endless night, no color, no motion and no light, no  
moon and no stars

Bloody train a no mercy one way ticket ride  
Into a bitter and lonely dimension

Endless night, no color, no motion and no light, no  
moon and no stars  
Bloody train is carryin' souls of tainted minds  
Hated, forgotten, but left unforgiven  
Endless night, another forsaken passenger fades into  
the dark
