[Verse 1:]

Somethings change babe
Somethings stay the same
Sometimes love wins
Sometimes it's a losing game
Tried to do it the easy way but
But you seen how big my heart was
I've had my share of hurricanes
The proof is in the flood

[Hook 1:]

But I can't run
Away from love
(I can't)
I can't front
You're the one
(You know your the one)

[Verse 2:]

They say you can't go back
The way you came
(Same way that you came uh)
Been so busy fighting
I could'nt see it right in my face
Light at the end hit me
Like a runaway train
But you drew me in
Like a moth to a flame

[Hook 2:]

I guess I'll give it up
All for love
(I'll give it all for love)
I could'nt see it coming
Was too closed off
(I was too closed off)

[Hook 1:]

But I can't run
Away from love
(You'll never see me running)
I can't front

(Can't front)
You're the one

[Verse 3:]
I put my hands up
Surrender
86 on pretending
Heart is unlocked so enter
Defense are down I'm ready
To love

[Hook 3:]
I guess I'll run
Straight to love
I can't front
(I can't front)
You're the one

[Hook 2:]
I guess I'll give it up
All for love
I guess I couldn't see it coming
Was too closed off

[Hook 1:]
But I can't run
Away from love
(You'll never see me running)
I can't front
(Can't front)
You're the one
