Are you..
Should I not believe
I get on my knees and I bring you!
And I bring you
And whenever you need me, yeah

I'll be right there by you!

The run, shield, the spade, you are
And I can't never get down
' an angel, you keep me alive
Alive, alive, alive
Alive, alive, alive
Are you down with me
Say you won't deceive me
I can drive slow with my heart
Cause I never felt alive, oh baby
Every day I need you!
Oh, oh, white, white, white, oh, oh
And white, and white, and white
Everything is white!
And white, and white, and white
Everything is white!
Everything is white!
This everything is white
Everything is white
And white, and white
Oh, oh, oh
Did you see light, yeah?
Did you see light, yeah?
Did you see light, yeah?
