[Verse 1]

I know you like to see me down  
If it was up to you I'd drown  
I can't believe you stole my crown yeah  
Gone have to get it back now  
A bruise to my pride  
You think defeat is in my eyes  
But I was born to pay the tithes  
To the lows and highs  
Watch me as I rise

[Bridge]

Uh huh, okay, too many felt this way  
Some point you gotta pay for what you did to me  
Uh huh, okay, now we need a solution babe  
When we win a revolution, all the hots for you

[Chours]

I'm building an army of (me,me,me)  
I'm building an army of (me,me,me)  
I'm building an army of (me,me,me)  
I'm building an army of (me,me,me)  
Ode-aye (2x), Ode-oh (2x), Ode-Aye (2x), Ode-oh (2x)  
Ode-aye, Ode-oh, Ode-aye, Ode-oh, oh, oh, oh

[Verse 2]

Flashbacks of broken dreams, whoa  
Shot burst despite for me (me), yeah  
Every chance to cut me deep  
But I heal everytime that I break free  
Listen, I ain't complaining no  
In fact I thank you for the lesson  
Without you I wouldn't be this strong  
To build an army with this song

[Bridge]

Uh huh, okay, too many felt this way  
Some point you gotta pay for what you did to me  
Uh huh, okay, now we need a solution babe  
When we win a revolution, all the hots for you

[Chorus]

I'm building an army of (me,me,me)

I'm building an army of (me,me,me)

I'm building an army of (me,me,me)

I'm building an army of (me,me,me)

Ode-aye (2x), Ode-oh (2x), Ode-Aye (2x), Ode-oh (2x)

Ode-aye, Ode-oh, Ode-aye, Ode-oh, oh, oh, oh
