I was looking for something
Or maybe someone
Hope a relation
Or revelation
She smelled of temptation
Made me be patient
I have to say hey
I have to see her
She wore black lipstick call her renegade
Leather jacket on
Collar high
Couldn't see her face
She ice skated on my heart
Couldn't Feel the blade
I think I'm color blind
Cause I'm bleeding black and grey. (I'm bleeding)
Cause I'm bleeding black and grey. (She wore)

My heart is running
Running, running
Away from love when
She called me apart
From a far and the distance
Without saying a word from her lips
She had me intrigued
She wore

She wore black lipstick call her renegade
Leather jacket on
Collar high
Couldn't see her face
She ice skated on my heart
Couldn't feel the blade
I think I'm color blind
Cause I'm bleeding black and grey. (I'm bleeding)
Cause I'm bleeding black and grey. (She wore)
Oh I'm bleeding I'm bleeding yeah.
She wore black lipstick call her renegade
Leather jacket on
Collar high
Couldn't see her face
She ice skated on my heart

Couldn't feel the blade
I think I`m color blind
Cause I`m bleeding black and grey.(I'm bleeding)
Cause I`m bleeding black and grey.(She wore)
