(Intro)

Oh you, oh oh

Oh you

You, oh oh

(Interlude)

Yeah, yeah, yeah, yeah, oh, oh

Oh, oh, oh, oh, oh

(Verse)

You push me off top of a building

To see if I was made of glass, yeah

You push your lies and doubt upon me

So you can have the upper hand, yeah

Because of you I nearly lost myself

My heart was blind, your love was hell

I couldn't find my way up out the dark, no

Til I realized I was my help

I found my light out to myself

You'll never crush me, no matter how hard

And never be the break of dawn

(Chorus)

You, oh, oh,

You'll never ever see the break of dawn

Hearts will just sing it one time, yeah, yeah

You, oh, oh,

No matter what you do, baby you won't,

Never see the break of dawn!

(Verse)

You try to run me into the pavement

You said I never had a chance

Oh, oh, oh you tried to tear me up well right now it's
payback

You trying to take away everything I have, oh baby no

Because of you I nearly lost my mind

I never took a risk, was scared to fly

I could have find my way up out the dark oh, oh!

Till I realized I was my light

Told myself gonna be alright

You're never gonna break this open heart

(Chorus)

You'll never be a break of dawn
You, oh, oh,
You'll never ever ever see the break of dawn
Hearts will just sing it one time
You, oh, oh,
No matter what you do, baby you won't
Never see the break of dawn
You, oh, oh,
I can't stand it, I can't fight it
You'll never ever see the break of dawn
Put your hands in the air if you feel me, hearts just sing
You, oh, oh,
You better what you do, baby you won't
You'll never see the break of dawn

(Verse)

Put your arms up in the sky,
Holding hearts unite
Yeah, yeah you'll never see the break of dawn
(You'll never see the break of dawn)
Lost in the darkest night
Know there's a silver light, yeah
(There's a silver light, yeah)
You'll never see it
Oh so you feel me, can you say it?
They can't bring us down
You, oh, oh,
Hearts won't you sing me one time
You, oh, oh,
No matter what you do, baby you won't take it, break
I won't breathe
No baby, no, no, no
There won't be a, no, no, baby no no
You, oh, oh,
No baby, no oh
This gonna be, this gonna be yeah
There won't be a break of dawn

(Outro)

You, oh, oh,
You, oh, oh,
You, oh, oh,
You, oh, oh,
You, oh, oh,
Oh oh
You, oh, oh,
