Feat. Qwanell Mosley

Qwanell:

[Verse 1:]

You promised me that you would love
You promised me that you would stay
You promised me that you would take my heart
& Never give it away
You promised me that you'll never cheat
You promised me that you'll never change
You promised me that you'll never leave
Promises you never kept

[Pre Chorus:][x2]

But every promise that were broken
Right before it could ever reach me[what am I gonna do?]
You never were there to give me[can you tell me the truth?]
The lies you made me believe in

[Chorus:][x2]

These are the reasons why I left
You never should've gave me broken promises
Broken...
Promises...
Broken...
Promises...
Broken...
Promises...
Broken...
Promises...

Dawn:

[Verse 2:]

You promised you'd see more of me
Open up your eyes and see what we could be
You promised me that it was just me
A promised that you couldn't keep
You promised that she was just a friend
A promise I found in my bed
A promise that made me weak

Promises that you never keep

Dawn & Que:

[Pre Chorus:][x2]

But every promise that were broken

Right before it could ever reach me[what am I gonna do?]

You never were there to give me[can you tell me the truth?]

The lies you made me believe in

Qwanell:

[Chorus:][x2]

These are the reasons why I left

You never should've gave me broken promises

Broken...

Promises...

Broken...

Promises...

Broken...

Promises...

Broken...

Promises...

Dawn & Que

[Verse 3:]

How could you do this to me?

After I gave you all of me...

After I gave you my heart

You weren't there from the start

We'll go our seperate ways

& I'll be ok

Ooohh na na na na na [x3]

I'll be ok

[Chorus:][x4][Both Ad-Libbing]

These are the reasons why I left

You never should've gave me broken promises

Broken...

Promises...

Broken...

Promises...

Broken...

Promises...

Broken...

Promises...

Qwanell & Dawn:

Oooooooh...
