Oh o-o-oh, o-oh, o-oh-oh.
O-o-oh o-o-oh, o-oh, o-oh-oh. (x3)

Please believe me when I say this.
I can't be just like the image you created.
Im more woman than the females that you dated.
That aint ego thats just me talking.
On the flipside, noo.
I aint gon' never want no other man.
The problem is that you know where my heart stands.
You use it against me.
Because you know me.
And we keep going through the same song.

Im sorry excuse me but I just think that I heard this.
You keep on complaining youre repeating the same verses.
You-you-you-keep on complaining youre repeating the same verses.

You sound like a broken record.
Sound like a broken record (x2)
Oh, O-o-oh,oh.
Sound like a broken record. (x2)
Ssssound like a broken record.
Oh, O-o-oh,oh.
Sound like a broken record.
Im sorry excuse me but I just think that I heard this.
You keep on complaining youre repeating the same verses.
Sound like a broken record (x2)
Oh, O-o-oh,oh.
Sound like a broken record.

Excuse me if our love feels dated.
Chivalry had gone and left with my patience.
My anger just went up and reached new limits.
That aint lies, thats just her talking.

On the flipside, noo.
Im gon' keep running back, you understand?
I dont wanna have to start all over again.

You use it against me because you know me.
And we keep going through the same song.

Im sorry excuse me but I just think that I heard this.
You keep on complaining youre repeating the same
verses.

Sound like a broken record (x2)

Oh, O-o-oh,oh.

Sound like a broken record.

Im sorry excuse me but I just think that I heard this.
You keep on complaining youre repeating the same
verses.

Sound like a broken record (x2)

Oh, O-o-oh,oh.

Sound like a broken record.

Why we cant be on the same page boy?
You keep on asking me what we're fighting for.
Babe lets get through this.
My heart is hurting.
Ohhhh we sound like a broken record.

Sound like a broken record (x2)

Oh, O-o-oh,oh.

Sound like a broken record. (x2)

Ssssound like a broken record.

Oh, O-o-oh,oh.

Sound like a broken record.

Im sorry excuse me but I just think that I heard this.
You keep on complaining youre repeating the same
verses.

Sound like a broken record (x4)

Oh o-o-oh, o-oh, o-oh-oh.

O-o-oh o-o-oh, o-oh, o-oh-oh. (Out)
