U had my heart
But didn't love it
I gave u every piece of me
Till I was nothing
You had my soul
We had a covenant
Till you sold it for a dream that wasn't finished
Heaven knows that u dont care
Heaven knows she cant compare
Heaven showed me loves not there
Heaven knows its just so clear
2x
I break all the walls for u
I burned them down for u to win
I should've just let u lose
Then maybe u would've stayed
Last pause are forever
Press play on the never
Wont do it again
(I wont do it again)
I wont do it again
I break all the walls for u
I burned them down for u to win
I poured my heart to u
Without a doubt or second guess
Heaven knows that u dont care
Heaven knows she cant compare
Heaven showed me loves not there
Heaven knows its just so clear
2x
I break all the walls for u
I burned them down for u to win
I should've just let u lose
Then maybe u would've stayed
Last pause are forever
Press play on the never
Wont do it again
(I wont do it again)
I wont do it again
