### Verse 1:

She wakes up to an unknown face again  
Her memory is slow and rewinded  
She brushes her and over her face  
The only thing she feels is disgrace  
She used to be a pearl tucked away  
Someone got in and stole her name  
Whoever she is, is now faded the stranger  
I see is now tainted she's lost in me she's lost in me

### Chorus:

How could she, how could she be so foolish,  
Sex crazed and stupid  
Careless and useless,  
How could she,  
How could she be so fooled  
Sex crazed and stupid  
Careless and useless  
How could she  
How could she  
How could she,  
How could she

### [Verse 2]

I see her picking up her clothes again  
Her under wear under his pillowed head  
Who is this man sleeping in my space  
Who is this man touchin on her face,  
I get start to get thoughts running threw her head  
The man upstairs stare's as she tip down the stairs,  
And now I'm feeling like I should just go catch him  
Put my hands around his neck  
And make him pay for his sins she's lost (lost within

Within lost in me
