Do you like do you like this sleeping
Can't be without you ain't worth it
Cause life without you ain't nothing
I rather die than be without you

I will do anything
If you just stay right there
Hold me don't let go baby
I promise my love won't fade
I'll give my soul to you
I promise I will do
Whatever to keep you
My love wont lose

Though it may seem like I'm talking crazy
I know I may be the liquor that got me bugging
But I just can't get out of my system
And now you're fighting when I say I like the feeling

I will do anything
If you just stay right there
Hold me don't let go baby
I'll give my soul to you
I promise I will do
Whatever to keep you
My love wont lose
I'll give my soul to you
I promise I will do
Whatever to keep you
My love wont lose

So baby
If you were the moon
I promise I will be stars to light the sky with you

I'll give my soul to you
I promise I will do
Whatever to keep you
My love wont lose
