Aye, Aye, Yeah, Aye
Aye, Yeah yeah, Aye, Aye

You never took me seriously
You never gave me what i need
I'm always spending time alone
You rather be out then home

So I'm out, peace, deuces to you
Too sick of that smoke cause of you
Won't stick around and hear your apology
I got a new best friend and her name is me

Me, myself, and Y
I didn't think of this for the first time
Me, myself, and Y
Did I ever love you cause I'm
Better off alone, Better off alone, better off
Better off alone, Better off alone, better off
Me, myself and Y
Did I ever think you were mine

I took this love thing literally
But you didn't really wanna believe
That somebody would love you baby
Love you more than you deserve
Love you past all your hurt
You rather do your own thing
But guess what, two can play that game

Me, myself, and Y
I didn't think of this for the first time
Me, myself, and Y
Did I ever love you cause I'm
Better off alone, Better off alone, better off
Better off alone, Better off alone, better off
Me, myself and Y
Did I ever think you were mine

Better off alone, Better off alone, better off
Better off alone, Better off alone, better off
Me, myself and Y

Did I ever think you were mine
Did I ever think you were mine
Did I ever think you were mine
Me, myself and Y
Did I ever think you were mine

Me, myself, and Y
I didn't think of this for the first time
Me, myself, and Y
Did I ever love you cause I'm
Better off alone, Better off alone, better off
Better off alone, Better off alone, better off
Me, myself and Y
Did I ever think you were mine
