I could tell when you walked through the door that something was wrong with you. you remember those crazy moods. You said I got a question for you, baby where were you. And why you did not move. He said he saw me on the corner, rather at the dinner. Hooked up with his partner. Tell me I'm a liar. I did the only thing that a girl would do I looked into his eyes and did what any guy would do.

I said it's just a case of mistaken identity, what you thought you saw boy you really didn't see. It wasn't me, no it wasn't me, it wasn't me (e,e), no it wasn't. It's just a case of mistaken identity, what you thought you saw boy you really didn't see. It wasn't me not it wasn't me it wasn't me (e,e) no it wasn't me.

He said baby I don't believe you because you doing that thing you do, when your telling me a lie. He said my palms are sweaty, I can't keep my legs steady, now he pacin situation, about to get really take. Your not the true why don't we just go call my boy. I said I'm telling the truth and you don't have to call your boy. I'm gonna be real witcha, its gotta be a mixa. Baby listen to me. It wasn't me.
