Are You Ready?

Listen

Verse 1:

Whose underwear are these?

I don't wear a size 3

Your caught

What's this for?

Whose lipsticks on your shirt?

You said you was at work

You wrong

I already called

1, 2, 3

[Pre-Chorus:]

Your a suspect now

I don't trust nothing you've said to me

Your under surveillance now

You think your slick but I'm slicker

You think your smart but I'm smarter

But you and your cheating is gonna get you sooner or later

[Chorus:]

I'm looking for the clues

I'm looking for the signs

I need some evidence

This don't make no sense

You coming in at 4

You smelling like some whore

I'm taking all my kids

It's time for Ms.Detective

It's time for Ms.Detective

It's time for Ms.Detective

It's time for Ms.Detective

[Verse 2:]

You sneaking out your bed

You think that I don't hear you on the phone

At 4 in the morn'

Who name is on your lips?
My name aint
But you just hissed
I'm fed up
I'm going Sure-Lock Holmes
Ladies 1, 2, 3

[Pre-Chorus:]
Your a suspect now
I don't trust nothing you've said to me
Your under surveillance now
You think your slick but I'm slicker
You think your smart but I'm smarter
But you and your cheating is gonna get you sooner or
later

[Chorus:]
I'm looking for the clues
I'm looking for the signs
I need some evidence
This don't make no sense
You coming in at 4
You smelling like some whore
I'm taking all my kids
It's time for Ms.Detective
It's time for Ms.Detective
It's time for Ms.Detective
It's time for Ms.Detective
