i heard the thunder
looked like lightning
i didn't know under could be so frightening
until love went dark
lost the sun in your heart

and all the pretty little things that held
us together now are falling down
turn to wicked little things that can
seem to find the beauty in the bed
uuuuuuuuu, uhu,
uuuuuuuuu, uhu,
uuuuuuuuu, whoa
uuuuuuuuu, uhu,

and all the pretty little things, things, things
and all the wicked little things, things, things
and all the pretty little things, things, things
and all the wicked little things, things, things
and all the pretty little things, things, things
and all the wicked little things, things, things
and all the pretty little things that held
and all the wicked little things, things, things

it was always cursed could never be forgiven
don't know what it's worth to find
i try to save him
gotta give it up cause i'm loosing life
i found the love from him don't feel right
kinda felt like thunder, kinda felt like rain
kinda felt like him and the storm was the same
i ain't ever been the same since

and all the pretty little things that held
us together now are falling down
turn to wicked little things that can
seem to find the beauty in the bed
uuuuuuuuu, uhu,
uuuuuuuuu, uhu,
uuuuuuuuu, whoa
uuuuuuuuu, uhu,

and all the pretty little things, things, things
and all the wicked little things, things, things
and all the pretty little things, things, things
and all the wicked little things, things, things
and all the pretty little things, things, things
and all the wicked little things, things, things
and all the pretty little things that held
us together now are falling down
turn to wicked little things that can
seem to find the beauty in the bed
uuuuuuuuu, uhu,
uuuuuuuuu, uhu,
uuuuuuuuu, whoa
uuuuuuuuu, uhu.
