(Verse 1)

I heard the thunder,  
Looked like lightning.  
I didn't know under,  
Could be so frightening.  
Until love went dark,  
Lost the sun in your heart.

(Chorus)

And all the pretty little things that held  
Us together now are fallen tales.  
Turned to wicked little things that can't  
Seem to find the beauty in the bad.  
Uuuuuuh, Uuuuh uh uh.  
Uuuuuuh, Woahhhhhhhh.  
Uuuuuuh, Uuuuh uh uh.  
And all the pretty little things, things, things.  
And all the wicked little things, things, things.  
And all the pretty little things, things, things.  
And all the wicked little things, things, things.  
And all the pretty little things, things, things.  
And all the wicked little things, things, things.  
And all the pretty little things that held.  
And all the wicked little things, things, things.

(Verse 2)

He was always cursed,  
Could never be forgiven.  
Don't know what it's worth,  
To fight and try to save him.  
Gotta give it up,  
Cuz I am losing light.  
I found out love from him,  
Don't feel right.  
Kinda felt like thunder,  
Kinda felt like rain.  
Kinda felt like him and the storm,  
Was the same.  
I ain't never been the same since.

(Chorus)

And all the pretty little things that held  
Us together now are fallen tales.  
Turned to wicked little things that can't  
Seem to find the beauty in the bad.

Uuuuuuuh, Uuuuuh uh uh.  
Uuuuuuuh, woahhhhhhhh.  
Uuuuuuuh, Uuuuuh uh uh.  
And all the pretty little things, things, things.  
And all the wicked little things, things, things.  
And all the pretty little things that held  
Us together now are fallen tales.  
Turned to wicked little things that can't  
Seem to find the beauty in the bad.  
Woahhhhhhhhhh  
Woahhhhhhhhhh  
Woahhhhhhhhhh  
Woahhhhhhhhhh  
Woahhhh Woahh.  
And all the pretty little things that held  
Us together now are fallen tales.  
Turned to wicked little things that can't  
Seem to find the beauty in the bad.  
Uuuuuuuuuh, Uuuuuuuh uh uh.  
Uuuuuuuuuh, Woahhhhhhhh.  
Uuuuuuuuuh, Uuuuuuuh uh uh.
