(Verse)

Out here all alone in the water  
With no one else around  
Trying to see the sun when we look up  
But it's way too many clouds

(Pre-Chorus)

It's never too late to try  
'Cause if our boat start shaking away  
Start crashing and roll with me  
'Cause our love is worthy

(Chorus)

If we gave up now boy it would be a tragedy  
I can't let us sink, you're everything to me  
So I gotta row, row, row, row, row real slow  
And I gotta low, low, low, low, low real low  
Till we make it safe to shore

(Verse)

You want it doesn't matter,  
It's me you want all along  
Only if we have our arms together  
We can overcome the storm

(Pre-Chorus)

It's never too late to try  
'Cause if our boat start shaking away  
Start crashing and roll with me  
'Cause our love is worthy

(Chorus)

If we gave up now boy it would be a tragedy  
I can't let us sink, you're everything to me  
So I gotta row, row, row, row, row real slow  
And I gotta low, low, low, low, low real low  
Till we make it safe to shore

(Bridge)

Make it, we're gonna make  
We're gonna make, we're gonna make  
Make it safe to shore

Make it, weÂ're gonna make  
WeÂ're gonna make, weÂ're gonna make  
Make it safe to shore  
Oh on a little road  
We gettin close  
So close, so close, so  
Gotta see the shore from here  
CanÂ't you see the shore from here

(Chorus) x2

If we gave up now boy it would be a tragedy  
I canÂ't let us sink, youÂ're everything to me  
So I gotta row, row, row, row, row real slow  
And I gotta low, low, low, low, low real low  
Till we make it safe to shore
