[Verse:]

So what cha think you got a hold on me?
You think you got my heart on locked and keyed! (But I)
Changed the lock, (Told ya)
Kick rocks and know I don't know if I made ya day!
(I'm willing and I work so hard) The first week had me
torn apart! (And now I'm)
Over it, maybe just a bit.
Stuck wit me but I can't quit!

[Pre Chorus:]

You had me twisted up so gone
You had me up until the morning
I'm going where to song went wrong
I'm still caught up, I'll admit

You had me twisted up so gone
You had me up until the morning
I'm going where to song went wrong
I'm still caught up, I'll admit

[Chorus:]

I'll admit that I'm still not over you, but So What
And the way I'm carryin' on and on they cool, but So
What
I guess I let you play me for a fool, but So What
So when you hear that I'm wit somebody new, So What,
So What

[Verse:]

So What cha think ya playin on me
You thinkin' I'm gon' play the fool
(I been) Hurt a lot, but my heart wont stop
In feelin what I feel for you
(On my heart you really left a scar)
This time you took it way too far
I'm finally over it, and I can't give in
(Through wit this)
You ain't worth it

[Pre Chorus:]

You had me twisted up so gone

You had me up until the morning
I'm going where to song went wrong
I'm still caught up, I'll admit

You had me twisted up so gone

You had me up until the morning
I'm going where to song went wrong
I'm still caught up, I'll admit

[Chorus:]

I'll admit that I'm still not over you, but So What
And the way I'm carryin' on and on they cool, but So
What
I guess I let you play me for a fool, but So What
So when you hear that I'm wit somebody new, So What,
So What

I'll admit that I'm still not over you, but So What
And the way I'm carryin' on and on they cool, but So
What
I guess I let you play me for a fool, but So What
So when you hear that I'm wit somebody new, So What,
So What

[Breakdown:]

You think Imma stay here (Stay here)
And wait for you to change (You to change)
Had me cryin a lot
Drivin me, insane
I just want, to be free
From all the pain you caused me
You broke my heart, and now its So What

[Chorus:]

I'll admit that I'm still not over you, but So What
And the way I'm carryin' on and on they cool, but So
What
I guess I let you play me for a fool, but So What
So when you hear that I'm wit somebody new, So What,
So What

I'll admit that I'm still not over you, but So What
And the way I'm carryin' on and on they cool, but So
What
I guess I let you play me for a fool, but So What
So when you hear that I'm wit somebody new, So What,
So What

[Outro: Dawn Talking]
