Uh

You ain't gotta do nuthin babe

Just relax

Sit down lemme take your shirt off

I'm feelin real cocky lemme go and show off

I'm gone take my time cause I know this what chu want

Sit back and watch me

When I turn the blue light on

It's like I'm movin in slow motion

I'm givin you a tease

Get you barley seein me

It's goin down in here

I'm lookin for a standin ovation admit oh

I want chu bad lemme see cause u wanting it oh

I'm gone have u day dreamin

Turn on the strobe light

Turn on the strobe light (strobe light)

Watch me when I turn on the strobe light (strobe light)

You know it's on you see the strobe light (strobe light)

You wanting more we see the strobe light (strobe light)

Come joy the private show

I know you wanting more

I want chu to come (come here)

I want chu too go down the stairs

Might let chu back up for air

If you would really boy I'll give you attention

I got chu on the edge of your seat

I can see you can't much more you want me

Keep your eyes on me watch me hit my peek

Watch me go faster

Watch me go harder

I'm lookin for a standin ovation admit oh

I want chu bad lemme see cause u wanting it oh

I'm gone have u day dreamin

Turn on the strobe light

Turn on the strobe light (strobe light)

Watch me when I turn on the strobe light (strobe light)

You know it's on you see the strobe light (strobe light)
You wanting more we see the strobe light (strobe light)
