I had a dream last night  
That you were playing me  
You said you my man  
But you hurt me anyway  
Now that shit still on my mind  
Cause I just couldn't see  
When I thought you loved me more  
But now Im not too sure

Ohh baby never needed anyone  
I thought you were that man  
But now Im just stuck on mad  
Ohh baby never trusted anyone  
I thought you were that man  
But now I am stuck on mad  
So ladies if you feel me say yeah  
Get your shit you can take it back  
I don't want your love like that  
You'll be tripping but I just dont care  
Cause I am busy being stuck on mad  
Get your shit you can take it back  
I don't want your love like that  
You'll be tripping but I just dont care  
Cause I am busy being stuck on mad  
Stuck on mad (x4)

Now you're looking at me like I am too crazy  
Cuz I opened my eyes and it was all a dream  
Now Im breaking up my brain trying to find out what is  
real  
When I knew you wouldnt put it in my  
head.....It was just my heart  
broken  
So ladies if you feel me say yeah  
Get your shit you can take it back  
I don't want your love like that  
You'll be tripping but I just dont care  
Cause I am busy being stuck on mad

Ladies can I talk to you for a minute  
If you ever been hurt  
If you ever been in pain

This is for you  
Put your hands in the air  
Put your hands in the air  
We ain't taking this shit no more  
We ain't taking that shit no more  
We are taking it back  
So take it right back  
Put your hands in the air  
Put your hands in the air
