[Verse 1:]

The road seemed too long but we took the journey  
anyway  
Moving too fast but we didn't want to hit the breaks,

[Pre-Chorus]

We're movin, movin on a train  
Goin', goin' miles away  
[But I'm holding on?]  
Saying bye to yesterday  
We're running, running from the pain  
Hopin' we don't go in insane

[Chorus:]

I heard the crash  
I saw the fire  
I held my chest  
It was a mess  
We tried to put back in  
Our hearts were too deep in it  
We had a train wreck  
We had a train wreck  
We couldn't prevent it x 3

Some love was long gone  
But we still try to make a way  
Hit it in the wrong direction  
But goin' hard anyway  
We should have stopped at the next stop  
Before we had a head on collision

[Pre-Chorus]

We're movin, movin on a train  
Goin', goin' miles away  
[But I'm holding on?]  
Saying bye to yesterday  
We're running, running from the pain  
Hopin' we don't go in insane

[Chorus:]

I heard the crash  
I saw the fire

I held my chest  
It wasn't mess  
We tried to put back in  
Our hearts were to deep in it  
We had a train wreck  
We had a train wreck  
We couldn't prevent it x 3

Some love was long gone  
But we still try to make a way  
Ayyyyy  
Ooooh Oh

[Pre-Chorus]  
We're movin, movin on a train  
Goin', goin' miles away  
[But I'm holding on?]  
Saying bye to yesterday  
We're running, running from the pain  
Hopin' we don't go in insane

[Chorus:]  
I heard the crash  
I saw the fire  
I held my chest  
It was a mess  
We tried to put back in  
Our hearts were to deep in it  
We had a train wreck  
We had a train wreck  
We couldn't prevent it x 3 [x2]

It shouldn't happen this  
It shouldn't happen this

[Outro:]  
We had,  
We had a  
Train wreck(train wreck)
