They say we wouldn't make it
Said we wouldn't win
Now they say our life was wasted
Chasing our dreams.
They were wrong, hell they were wrong, yeah!

They said we couldn't take it
Said we couldn't fight on
They said we couldn't break it
Said our hearts were wild n'young
Our hearts were wild n'young!

Cause the beat goes on
Beat goes on, yeah
The beat goes on, yeah
Boom, boom, boom
Boom, boom, boom
They can't stop us now
We gonna say it loud
Play on, play on!
Play on, play on!

Cause the beat goes on
Beat goes on, yeah
The beat goes on, yeah
Boom, boom, boom
Boom, boom, boom
They can't stop us now
We gonna say it loud
Play on, play on!
Play on, play on!

We gotta keep back to wild young
Keep that too young
Gotta keep back to wild young
Gotta get back too young
I gotta get back too young (x2)

Listen, baby,
Take a seat, have a drink
It's on me
We been deep

In the trenches you never left me
Cheers to you
You're the shit, no one better than you
I toast to you
I'm ok, but with you I'm perfection
You never lost faith in me
You never lost faith in me
Have your way yeah
Have your way
Have your way yeah
Have your way
Not gon' lie I owe you everything
Couldn't have made it
In my life if you wouldn't have stayed
Cheers to you
You're the shit, no one better than you
Toast to you love
I'm ok, but with you I'm perfection

You never lost faith in me
You never lost faith in me
You never lost faith in me
You never lost faith in me

Have your way
Have your way

You never lost faith in me
You never lost faith in me
You never lost faith in me
You never lost faith in me

Have your way

Hear with your heart, see with your soul,
Be guided by a hand you cannot hold,
Entrust even if you cannot see,
That's how faith must be
