Just to move me out

When you let me in
Strange as this may be
I won't let it end
In the bad I made
Shameful thoughts conveyed
Give it one last time
Such a terrible sin

It's ok to cry this sometimes, through the ocean's ebb
Well it's getting far, to far to, prove me wrong
It's ok to cry this sometimes, through the ocean's ebb
Well it's getting far, to far toâ€¦
Who you are

What's to bring me down?
Where do I begin?
Just to fuck me up
Over some little shit
In the bed I lay
So that you'll remain
My thoughts carry on
What could never have been

It's ok to cry this sometimes, through the ocean's ebb
Well it's getting far, to far to, prove me wrong
It's ok to cry this sometimes, through the ocean's ebb
Well it's getting far, too far toâ€¦
Who you areâ€¦

Ever time I give in to your lust
You bring me right back down
Every time I give in to your lust
You seem to prove me wrong
Ever time I give in to your lust
You bring me right back down
Every time I give in to your lust
You seem to prove me wrong

It's ok to cry this sometimes, through the ocean's ebb
Well it's getting far, to far to, prove me wrong

It's ok to cry this sometimes, through the ocean's ebb
Well it's getting far, too far toâ€¦
Who you areâ€¦

Prove me wrong this time
Prove me wrong I realize
Prove me wrong this time
Prove me wrong I realize
