Where do we go from here?  
A moment. A feeling.  
Something that's real, I'm unclear  
The pages, I'm folding  
I'm holding the wheel and I'm drifting slowly over to the  
shoulder,  
And I don't know about you darling, but I'm feeling  
Older and older  
There's one thing I know...

Cause I can be better than all of you and your friends  
Let's not forget what I said, that  
"It's all over now"  
It's all over now.

Where do we go from here?  
A reason for leaving, something sincere  
I'm unclear,  
But baby I'm screaming but you're nowhere near  
I can't wait any longer, and I don't know about you,  
But darling the feeling is stronger and stronger
