Get away car, the middle man  
"Check" - Everything secure  
Yeah that plan's in effect  
Please, please sir, those keys  
Inhale, exhale deep breathes  
There is a reason why I said,  
I could not home till late last night.

One more chance give it to me,  
I will last  
I need that one more chance, oh yeah.

Sweat drips, fingers twitch  
Something is not right  
No, something does not fit.  
Please, please sir - those keys click...

One move and you're dead  
I have got to get out of this place,  
I have got to get out of here,  
I have got to get out of this place,  
I have got to get out of here

Give it to.  
Give it to me.
