Knelt a puppet on a string  
Along the vortex weepin'  
Lord have you heard  
The roaring' dragon eat the virgin

(Chorus)

I didn't know yet what I'd know  
When I was bleedin'  
I didn't know yet what I'd know  
When I was bleedin'  
I seem to forget what I learned  
When I was fallin'  
I didn't know yet what I'd know  
When I was bleedin'  
Neon ghost in mask and coat  
My heart is satellite remote  
When my chemicals go wrong  
Murder the Devil  
Take his song for my own  
We sang

(Chorus)

When I was fallin'  
Was I flyin'?
