(Feat. Fat Joe & Rick Ross)

[Day 26:]

Ohhhh

[Fat Joe:] Ayo Diddy get at me baby

[Diddy:] I see you Joe

[Fat Joe:] It's Crack

[Diddy:] This is the remix

[Verse 1: Fat Joe]

Damn mamma what you want from me

White sands live comfortably

Fat Ass and a set of lips

9 to 5 to hell with that shit

Get money we the best there is

House too big for MTV Cribs

Hall of Fame me for the things I did

It's the way I live

I'm just Joey the Don

Look so good I could marry your mom

Beat it out the park call me Barry Bonds

Ask Sean, I'm on

Do it in the dark, wake up in Milan

Bet you ain't ever seen this before,

40 foot Ceilings with the crystal walls.

Whatchu waiting for, mama take it off

I'm a break you off, like we break them laws

[Verse 2:]

There's no other love

There's nobody else I'm thinking of

Only a baby as special

How could I ever forget you

And let the moment slip away

We've been here for a while

And I just wanna take you away

[Chorus:]

You got me doing things I never do

I can't stop feindin and dreaming about you  
And about your love it feels so real to me  
You know what to say  
And you know just what to do

Come get me

Watchu got for me  
I wanna see  
I've been waiting way to long  
Got me losing me cool  
Don't know what I'm gon do  
You got me going  
You got me going

[Verse 3:]

I can't wait no long  
My anxiety is building up  
Moments turn into  
Hours and hours to days in my mind  
Can someone tell me the time  
I don't wanna wait a vain  
And I don't want to deal with the pain

[Chorus]

[Verse 4:]

So beautiful  
Won't you let go  
I wanna know  
See I gotta know if your ready  
For all you are so special  
And I want you closer  
I don't want to let go

[Verse 5: Rick Ross]

I Put Rims on it, Then I ride no top  
Get around the ghetto no need for on star  
Diddy told you that we just won't stop  
She taking off her clothes cause we just that hot  
Day 26 just getting started  
Down the club where we really make tha party  
Bottle after Bottle, all the freaky tail shotties {CIROC}  
Double park the lambos in the front of that Gallardo  
Walk on the Beach, Talk so cheap  
But it's priceless when she talking to me  
Baby girl know I'm no regular  
I can make her call like Elliott Spencer  
Caught me a dime drop over dime  
See her when I see you but she top of the line  
But that's the best

Look what you got suede louie bags and they stuffed  
full of nox

[Chorus]

Come get me

Watchu got for me  
I wanna see  
I've been waiting way to long  
Got me losing me cool  
Don't know what I'm gon do  
You got me going  
You got me going
