Well, since my baby left me
I found a new place to dwell
It's down at the end of Lonely Street
At Heartbreak Hotel

And I get so lonely, baby
I get so lonely, baby
I get so lonely, baby
I could die

Although it's always crowded
You still can find some room
For brokenhearted lovers
To cry away their gloom

I get so lonely, baby
I get so lonely, baby
I get so lonely, baby
I could die

And the bell hop's tears keep flowin'
The desk clerk's dressed in black
They've been so long on Lonely Street
They never will get back

I've been so lonely, baby
I've been so lonely, baby
I've been so lonely, baby
I could die

So if your baby leaves you
You got a tale to tell
Just take a walk down Lonely Street
To Heartbreak Hotel

I get so lonely, baby
I get so lonely, baby
I get so lonely, baby
I could die
I could die
