[Verse 1:]

It started out as only one
Just a little feel
I thought I got away with it
My conscience wouldn't let me be
And itsz bringing out the other scheme
Girl look me in my eye cause I'm tired of drowning in
these lies
Listen to me

[Chorus:]

I lied to you (I did)
But I'm so ready to tell the truth
Be so honest, be so honest, be so honest
Cross my heart hope to die swear to God it's true girl
I gotta be so honest (be so honest) I'm ready to be so
honest

[Verse 2:]

Now girl I kno I risk a chance
Of you walking away from me and never talking to me
again
But you need to know who I am
Cause looking at your pretty face looking so dam niieve
and I kno it's all because of me
Why did I lie

[Chorus:]

I lied to you (I did)
But I'm so ready to tell the truth
Be so honest, be so honest, be so honest
Cross my heart hope to die swear to God it's true girl
I gotta be so honest (be so honest) I'm ready to be so
honest

I swear to tell the whole truth and nothing but the truth
So help me God
I'm turning myself in this is my first offense
Have mercy on me
I'm sorry I lied

[Chorus:]
I lied to you (I did)
But I'm so ready to tell the truth
Be so honest, be so honest, be so honest
Cross my heart hope to die swear to God it's true girl
I gotta be so honest (be so honest) I'm ready to be so
honest
