when the light is done and the shadow leaves  
i watch on the weather a moth on my sleeve  
but in this hurricane night  
I'm like a ghost come to life  
invoke this no one, no one  
will be a stranger  
invoke this no one, no one  
will be a stranger  
spitting this sis like i was pissing  
in the wind of a thousand years

so forget your smile and taste your tears  
to forget your smile and taste your tears  
invoke this no one, no one  
will be a stranger  
invoke this no one, no one  
will be a stranger
