Lord Only Knows How I Felt That Day  
Your Beauty Became Known To Me  
No Actions Could Ever Show The Joy That You Bring

I Promise To Love You Just As He Has Loved Me  
You're All I Ever Wanted, Such A Blessing

I've Never Seen Compassion Come From Such A  
Beautiful Face  
His Will Is So Perfect When We Walk In His Way

I Promise To Love You Just As He Has Loved Me  
You're All I Ever Wanted, Such A Blessing

I Promise To Love You Just As He Has Loved Me  
You're All I Ever Wanted, Such A Blessing To Me
