

Sick Of Change

"No Cure"

No cure, no end in sight.
No cure for poisoned minds.
No change, no change, after all this talk still living foul.
Ignorant, Ignorant, you think we would've learned by
now.
Over and over same mistakes as before.
No end, no end, look around no end in sight.

When the damage done is to extensive.
Everyone ignores consequences.

Hatred, hatred, the only thing we give ourselves.
Heartless, heartless, no regard for anyone else.
Sickening, sickening, the way that greed rules our
lives.
No cure, no cure, for the disease called mankind.

Look deep inside - for the cure to what ails mankind.
Look deep inside - we've got to live a more righteous
life.
Look deep inside - can't change the world.
But you can change yourself...
