Now you've made it up it's all inside your mind.
Now you've given up You don't know what's there if you
don't try.
So you've given in along with all of your friends.
And you're still alone.
The means doesn't always justify the end.

Ordinary, ordinary.
A look in the mirror, is not enough.
What makes you think that you're not one of us?

If you make it up and start to use your mind,
It isn't difficult.
You don't know what's there if you don't try.
