Because Of Lies We Die
Don't Need To Know Who's All Around Including
Ourselves
Why Can't We See The Pain That's So Overwhelming

Our Hearts Want Horrible Scenes
Our Minds Break By Our Thoughts
Our Intentions Are Never Good
God Please Ourselves, Forget The Pain

We Contribute To These Shattered Lives
The Past Reveals How Much Guilt We Deserve To Feel

We Contribute To These Shattered Lives
The Past Reveals How Much Guilt We Deserve To Feel

We Contribute To These Shattered Lives
The Past Reveals How Much Guilt We Deserve To Feel
