The pain surrounds  
I watch it rain  
I watch it trickle down  
I feel so clear  
You let it out  
I watch it disappear  
I don't quite know  
Just where it ends  
Just where the water flows  
And I can't quite see  
Just where it was  
Just where it use to be

And I can't believe in nothing  
Or anyone that I can't see  
You know it's better than it's ever been  
And that's good enough for me  
Your love was bittersweet, bittersweet, bittersweet, it's  
bittersweet  
Your love is killing me, killing me, it's killing me

Yes I walk the line  
I do it now  
I've done it all the time  
I feel so free  
You let me out  
You let me be my be  
And I don't feel quite so right  
When you tuck me in  
You tuck me nighty night  
Just like I've been wrong  
I do this now  
I've done it all along

And I can't believe in nothing  
Or anyone that I can't see  
You know it's better than it's ever been  
And that's good enough for me  
Your love was bittersweet, bittersweet, bittersweet, it's  
bittersweet  
Your love was killing me, killing me, it's killing me

This is the best day of my life  
This is the best day of my life  
This is the best day of my life  
This is the best day of my life

I can't believe in nothing  
Or anyone that I can't see  
You know it's better than it's ever been  
And that's good enough for me  
Your love was bittersweet, bittersweet, bittersweet, it's  
bittersweet  
Your love was killing me, killing me, it's killing me

This is the best day of my life  
It was the best day of my life
