So we'll be taking our time  
You know the backseat lovers  
Want to watch you fall

Turn it over to the flip side  
Looking for your answers  
You're route to crawl

And you'll tell all your friends  
You met a little someone special  
Who likes to dance

Oooh but they'll be waiting for the kickbacks  
Rippin on the rejects  
They call their friends

And we sang  
Aah-aah-aah  
No its not that we can't feel  
Aah-aah-ahh  
Were just hoping that it's real  
Aah-aah-aah

And it's not a place in time  
Were just hoping that you'll find  
Something we might have left behind

And you know its better in the back  
And you're waiting for me  
Oooh, and ill give anything you'll ask of  
Anything you wanted  
As long as it's free

Oh and ill tell all of my friends  
I met a little someone special  
Who likes to dance

Ooh, but they'll be waiting for the kickbacks  
Rippin' on the rejects  
I call my friends

And we sang  
Aah-aah-aah  
No its not that we can't feel  
Aah-aah-ahh  
Were just hoping that it's real  
Aah-aah-aah

And it's not a place in time  
Were just hoping that you'll find  
Something we might have left behind

Tell me do you like it? (Repeat)

Its not that we can't feel  
Were just hoping that it's real  
Its not a place in time  
Were just hoping that you'll find  
Something we might have left behind

It's not that we can't feel  
Aah-aah-ahh  
Were just hoping that it's real  
Aah-aah-aah

And it's not a place in time  
Were just hoping that you'll find  
Something we might have left behind

It's not that we can't feel  
Aah-aah-ahh  
Were just hoping that it's real  
Aah-aah-aah

And it's not a place in time  
Were just hoping that you'll find  
Something we might have left behind
