#### Verse 1

I don't mind where you come from  
As long as you come to me  
But I don't like illusions I can't see  
Them clearly  
I don't care, no I wouldn't dare  
To fix the twist in you  
You've shown me eventually what you'll do  
I don't mind  
I don't care  
As long as you're here

#### Chorus

Go ahead and tell me you'll leave again  
You'll just come back running  
Holding your scarred heart in hand  
It's all the same  
And I'll take you for who you are  
If you take me for everything  
And do it all over again  
It's all the same

#### Verse 2

Hours slide and days go by  
Till you decide to come  
But in-between it always seems too long  
For certain  
But I have the skill, yeah  
I have the will, to breath you in while I can  
However long you stay is all that I am

I don't mind, I don't care  
As long as you're here

Go ahead and tell me you'll leave again  
You'll just come back running  
Holding your scarred heart in hand  
It's all the same  
And I'll take you for who you are

If you take me for everything  
And do it all over again  
It's always the same

Wrong or Right  
Black or White  
If I close my eyes  
Its all the same

In my life  
The compromise  
I'll close my eyes  
Its all the same

Go ahead say it  
You're leaving  
You'll just come back running  
Holding your scarred heart in hand  
It's all the same  
And I'll take you for who you are now  
If you take me for everything  
Do it all over again  
It's all the same
