Maybe I'm a dreamer  
Maybe I'm misunderstood  
Maybe you're not seeing the side of me you should  
Maybe I'm crazy  
(Maybe I'm crazy)  
Maybe I'm the only one  
(Maybe I'm the only one)  
Maybe I'm just out of touch  
Maybe I've just had enough

Maybe it's time to change  
And leave it all behind  
I've never been one to walk alone  
I've always been scared to try  
So why does it feel so wrong  
To reach for something more  
To wanna live a better life  
What am I waiting for?  
'Cause nothing stays the same  
Maybe it's time to change

Maybe it's hopeless  
(Maybe it's hopeless)  
Maybe I should just give up  
(Maybe I should just give up)  
What if I can't trust myself?  
What if I just need some help?

Maybe it's time to change  
And leave it all behind

I've never been one to walk alone  
I've always been scared to try  
So why does it feel so wrong  
To reach for something more  
To wanna live a better life  
What am I waiting for?  
'Cause nothing stays the same  
Maybe it's time to change

And maybe it's time to change  
And leave it all behind

I've never been one to walk alone  
I've always been scared to try

And maybe it's time to change  
And leave it all behind  
I've never been one to walk alone  
I've always been scared to try  
So why does it feel so wrong  
To reach for something more  
To wanna live a better life  
What am I waiting for?  
'Cause nothing stays the same  
Maybe it's time to change  
'Cause nothing stays the same  
Maybe it's time to change
