Don't want to be lost anymore,  
I find myself at the door,  
But I'm so scared to go.

Been in this life for too long  
I wanna see the sun  
Inside my mind **INSIDE MY MIND**

Break  
HEY! HEY!  
GET THE FUCK OUT OF ME SAY!

Chorus

Do you know what you came for?  
If you don't even know what's the point in being  
alive?  
**GET UP GET UP**  
Get up and fight  
**GET UP GET UP**  
Just live your life.

Bridge

Cause everyday is not a waste  
It's all the same everyday  
Cause what you see isn't always what you get.
