Iâ€™m not cominâ€™ back
Iâ€™m not gonna react
Iâ€™m not doinâ€™ shit for you.
Iâ€™m not sittinâ€™ around while you're tearinâ€™ it down
around us.
Iâ€™m not livinâ€™ a lie while you swim in denial
â€™Cause youâ€™re already dead and gone
You leave me out on the curb just like everyone else
before you.

Welcome to my world
Where everyone I ever need always ends up leaving
me alone.
Another lesson burned
And Iâ€™m drowning in the ashes
Kicking
Screaming
Welcome to my world

I donâ€™t care what you think Iâ€™m not seeing a shrink.
Iâ€™m not doing this again.
Iâ€™m not another student or a mother to take your shit
out on
So letâ€™s see what you got, letâ€™s see what youâ€™re not
And what ever else you pretend
You defended my intentions long enough

Welcome to my world
Where everyone I ever need always ends up leaving
me alone.
Another lesson burned
And Iâ€™m drowning in the ashes
Kicking
Screaming
Welcome to my world

So here I am again.
In the middle of the end.
And the choice I wish Iâ€™d made
I always make too late

Welcome to my world

Where everyone I ever need always ends up leaving
me alone.
Another lesson burned
And Iâ€™m drowning in the ashes
Kicking
Screaming
Welcome to my world.

My world
My world(welcome to my world)
My world
My world (welcome to my world)
My world
Welcome baby.
