If you wanna
Sink to the bottom with me
Come get gotten
Reeling and rotten beneath

One, two, three
And down you go
You'll be smiling
Before you know
If you wanna sink to the bottom with me

We're all rotten
Buried and forgotten
Living it up underground
So take a ride
(Hey! Hey! Hey! Hey!)
You really can't be looking so surprised
If you can't beat them
Might as well eat them
No ones getting out alive
Give it a try
(Hey! Hey! Hey! Hey!)
It really is a wicked way to die

Listen my friend
To sound of the sweet melody
Doesn't it seem to resound
Like an old memory

Screaming and crying
We'll have none of that
You had you're chance
Now just sit and relax
Don't you want to sink to the bottom with me?

We're all rotten
Buried and forgotten
Living it up underground
So take a ride
(Hey! Hey! Hey! Hey!)
You really can't be looking so surprised
If you can't beat them

Might as well eat them
No ones getting out alive
Give it a try
(Hey! Hey! Hey! Hey!)
It really is a wicked way to die

You'll get used to it in a while
Look at the way each of us smile
You were living a fantasy
This is exactly what you need

If you want to sink to the bottom with me
You're getting real gotten
Reeling and rotting beneath
One, two, three and down you go
Feel that smile just start to grow
If you wanna sink to the bottom

We're all rotten
Buried and forgotten
Living it up underground
So take a ride
(Hey! Hey! Hey! Hey!)
You really can't be looking so surprised
If you can't beat them
Might as well eat them
No ones getting out alive
So give a try, try, try, try
(Hey! Hey! Hey! Hey!)
It really is a wicked way
Really is a wicked way
Really is a wicked way to die

They're all just so pathetic
It's all psychosomatic
The more they think the more we know
So welcome home
