No one seems to understand  
Why junk just sort of finds this band  
It's high time we realize  
Let it come as no surprise  
Nothing ever goes our way  
I'm losing hope today

God he must've been disappointed  
Never seen him so disjointed  
It cost me 80 dollars

We really aren't that fucking dense  
I swear to God we've got some sense  
It ain't exactly shining through  
Ean's face is turning blue  
I wish this thing would work  
You're gonna lose that smirk
