Good shot Peter
I hope you go far
Cause there's a rabbit wearing coveralls playing in my
front yard

You do the two step Peter
And you make it look good
Cause there's a bear watching you from the edge of
the hundred acre wood
(the bear, he said)

Peter

In a snow storm Peter
And two straight lines
Holding hands yellow hat red hair her name was
Madeline
(her name was Madeline)

Peter

I remember you Peter
And all of the rest
From the stories that a dreamy eyed baby boy loved
the best

So in the moonlight Peter
Where the wild things sleep
You and a boy in a wolf suit dancing by the side of the
sea
(they said...)
