"The Inland Empire Strikes Back"

Woke up today thinking about my hometown
Thought about going back to see who's hanging
around
Remember back when we didn't have a clue
And how we used to sit and whine that there was
nothing to do

Way too young to understand
You've got to make it what you want
Part of me is still Spokane
That's never gotten off the track
Just waiting for The Inland Empire Strikes Back

Mna Mna, Vampire Lezbos, and T.F.L.
Whatever happened to those clowns
I think they ended up in jail
But there's no shortage of bands to get drunk for
There'll always be the Fumes and Flies kicking out
