The other day I put on a record
That I was into when I was 21
Thought of the bands we used to listen to
Wondered where they all had gone

Dinosaur Jr what happened to you?
The Lemonheads turned into a Tiger Beat band
Soul Asylum are rock stars now

But the feeling is gone

The other day I went to the record store
That I loved in 1991
In a stupid sea of compact disks
I found out all the records were gone

Dinosaur Jr what happened to you?
The Lemonheads turned into a Tiger Beat band
Soul Asylum are rock stars now

But the feeling is gone
