I know that nothing lasts forever
Some things are never meant to be
And in this life don't ever falter
Cause you in this moment you will see

[Refrain]
(That/But) i can't let go, no i can't let go
Cause i feel you more and more

[Chorus]
I can't give you up
I just want you to know
My tears keep falling
If only i had the time
To live this life of mine
For just one last time

For just one last time

I had to look for someone for you
Someone to love you more than i can do
Someone who never made you cry
I'm about to say goodbye

[repeat Refrain and Chorus]

I can't give you up
I just want you to know
