Gunther, Gunther, still feeling sore
Gunther, Gunther, they lost the Civil War!
"The South shall rise again, yeah I got some southern
pride
still sore about the war till the day that we die
these Indians get a discount, buy up the hotels, go
figure
well we got a word, yeah we call 'em sand niggers."

Gunther, Gunther, still feeling sore
Gunther, Gunther, they lost the Civil War!
"Black people once were slaves but they ain't too mad
about it
ain't many black folk in Gatlinburg but they buy a lot of
shit"
