I want to make love to your body and soul
like God intended us to no birth control
aw shit, you bitch, you pregnant again?
abort that fetus before I count to ten
I can't be held responsible for my deeds
you know I can't help it, planting my seed
I know it hurts but you know what they say
it takes a real man to walk away
I don't want to be a father no more
(I'm not a father I just fuck a lot)
Oh I want to make sex but I won't use no latex
I don't want to be a father; no more lies
you know I'd much rather hang with the guys
I like to have fun for what it's worth
hey, I'm not the one who gave birth
so you stay home, watch the kid
watch yo mouth, bitch, I'm tired of your shit

all I ever wanted was a little pussy
not a family
I don't want to be a father no more
(I'm not a father I just fuck a lot)
Oh I want to make sex but I won't use no latex
I hate my son and I don't give a shit
even though he's young he's still illegitimate
birth certificate says he's mine
I'd beg to differ but I don't have the time
so whaddaya know, I'm back in court
bitch wants some dough for child support
being a dad is a full time job and I quit
I'm tired of this shit
I don't want to be a father no more
(I'm not a father I just fuck a lot)
Oh I want to make sex but I won't use no latex
