Started back in '79  
rock 'n' roll is a waste of time  
outcast expelled and raped  
all they needed was an escape  
they tried drugs and jerking off  
Neil fainted and Vijay coughed  
there's no stopping cause we're on the attack  
SideSplittaz are coming back!  
SideSplittaz  
we'll make you bleed  
SideSplittaz  
we're all you need  
SideSplittaz  
we never grow old  
SideSplittaz  
we are rock and roll  
We got a van and a couple of gigs  
with dreams of making it big  
stopping often at Taco Bell  
on a tour straight to Hell  
a record company offered us lots of cash  
so we sold out really fast  
no longer hated by everyone

SideSplittaz are number 1!  
SideSplittaz  
we'll make you bleed  
SideSplittaz  
we're all you need  
SideSplittaz  
we never grow old  
SideSplittaz  
we are rock and roll  
Drugs and sex then got in the way  
although Harry never got laid  
soon our songs, well they started to suck  
seems like nobody gave a fuck  
then Notorious B.I.G. died  
some of us laughed and some of us cried  
in the end it was a sign  
SideSplittaz had their time!  
SideSplittaz

we'll make you bleed  
SideSplittaz  
we're all you need  
SideSplittaz  
we never grow old  
SideSplittaz  
we are rock and roll
