If I saw You on the street
And You said come and follow me
But I had to give up everything
All I once held dear and all of my dreams
Would I love You enough to let go
Or would my love run dry
When You asked for my life
When did love become unmoving?
When did love become unconsuming?
Forgetting what the world has told me
Father of love, You can have me
You can have me
If You're all You claim to be
Then I'm not losing anything
So I will crawl upon my knees
Just to know the joy of suffering
I will love You enough to let go
Lord, I give you my life
I give you my life
When did love become unmoving?
When did love become unconsuming?
Forgetting what the world has told me
Father of love, You can have me
You can have me
I want to be where You are
I'm running into Your arms
And I will never look back
So Jesus, here is my heart
When did love become unmoving?
When did love become unconsuming?
Forgetting what the world has told me
Father of love, You can have me
You can have me
When did love become unmoving?
When did love become unconsuming?
Forgetting what the world has told me
Father of love, You can have me
My Father, my love
You can have me
